

The Shelby County 109 Taxing District Awning Design and Construction Sealed Bids

General Information:

Sealed bids must be received no later than 4:00 PM EST, Friday, September 30, 2016 at the Shelby County Judge Executive Office, 419 Washington Street, Shelbyville, KY 40065.

Bids must be clearly marked “**Awning Design and Construction Bid.**”

All Bidders must attend a “Mandatory Pre-Bid Meeting” held at the Shelby County Recycling Facility, 170 Windhurst Way, Shelbyville, KY 40065 9:00 AM EST Thursday, September 22, 2016.

Opening of submitted bids will take place during the monthly 109 Taxing Board Meeting in October (date and time to be announced) at the Shelby County Recycling Facility, 170 Windhurst Way, Shelbyville, KY 40065.

The Board may or may not award the contract during the meeting. The Board reserves the right to reject any and all bids.

Scope of Project:

The bid will be awarded based on best design and best value.

Scale Awning Specifications:

One 45 ft. by 56 ft. clear span with the following features:

Metal Roof and Windbreak 8 ft. down on both 56’ sidewalls.

No less than 14-0 Clearance with signs (13’ 6”) at all entry and exit points.

No less than two LED lights mounted under roof with auto nighttime sensors.

Snow and Wind Load Documentation.

Construction shall match the décor of the existing Recycling Facility Structure.

Drawing of proposed awning design must accompany bid.

Any questions should be addressed to Ricky Solomon, Solid Waste Director via email:
