**HOMEOWNER'S AFFIDAVIT
FOR ELECTRICAL INSPECTIONS**

(Please Print)

I _____ being the owner of land and buildings located at _____

(Street)
_____, do hear by swear that I have completed all
(City, State, Zip)

electrical work with my hands. I also swear that in the event of a single family dwelling that this is, or will be, my primary residence. I also acknowledge that by signing this affidavit that all liabilities and responsibilities are mine alone. In the event that I do receive help that person, or persons, will be licensed by the state of Kentucky and appropriate license numbers will be provided to the electrical inspector. In such a case it is understood that if proper information is not provided, the work will not be inspected and connection to the utility company will not be allowed until a licensed electrical contractor with proper documentation will accept responsibility for such work.
