Section 1 - Employment at Will

Employment with Shelby County Government, in any department, is on an at-will basis unless otherwise stated in a written individual employment agreement signed by the County Judge Executive.

This means that either the employee or the county may terminate the employment relationship at any time, for any reason, with or without notice.

Nothing in this employee handbook creates or is intended to create an employment agreement, express or implied. Nothing contained in this or any other document provided to the employee is intended to be, nor should it be, construed as a contract that employment or any benefit will be continued for any period of time. In addition, no county representative is authorized to modify this policy for any employee or to enter into any agreement, oral or written, that changes the at-will relationship.

Any salary figures provided to an employee in hourly or annual terms are stated for the sake of convenience or to facilitate comparisons and are not intended to and do not create an employment contract for any specific period of time.

Nothing in this statement is intended to interfere with, restrain, or prevent concerted activity as protected by the National Labor Relations Act (NLRA). Such activity includes employee communications regarding wages, hours, or other terms or conditions of employment. Shelby County Fiscal Court employees have the right to engage in or refrain from such activities.

Section 2 - Equal Opportunity and Commitment to Diversity

Equal Opportunity

Shelby County Fiscal Court provides equal employment opportunities to all employees and applicants for employment without regard to race, color, creed, ancestry, national origin, citizenship, sex or gender (including pregnancy, childbirth, and pregnancy-related conditions), gender identity or expression (including transgender status), sexual orientation, marital status, religion, age, disability, genetic information, service in the military, or any other characteristic protected by applicable federal, state, or local laws and ordinances. Equal employment opportunity applies to all terms and conditions of employment, including hiring, placement, promotion, termination, layoff, recall, transfer, leave of absence, compensation, and training.

Shelby County Fiscal Court expressly prohibits any form of unlawful employee harassment or discrimination based on any of the characteristics mentioned above. Improper interference with the ability of other employees to perform their expected job duties is absolutely not tolerated.

Shelby County Fiscal Court will endeavor to make a reasonable accommodation of an otherwise qualified applicant or employee related to an individual's physical or mental disability, sincerely held religious beliefs and practices, and/or any other reason required by applicable law, unless doing so would impose an undue hardship upon Shelby County Fiscal Court's operations.

Any employees with questions or concerns about equal employment opportunities in the workplace are encouraged to bring these issues to the attention of the HR Manager. The county will not allow any form of retaliation against individuals who raise issues of equal employment opportunity. Employees who feel they have been subjected to any such retaliation should bring it to the attention of the HR Manager.

Retaliation means adverse conduct taken because an individual reported an actual or a perceived violation of this policy, opposed practices prohibited by this policy, or participated in the reporting and investigation process described below. "Adverse conduct" includes but is not limited to:

1. Shunning and avoiding an individual who reports harassment, discrimination, or retaliation;
2. Express or implied threats or intimidation intended to prevent an individual from reporting harassment, discrimination, or retaliation; *or*
3. Denying employment benefits because an applicant or employee reported harassment, discrimination, or retaliation or participated in the reporting and investigation process.

Other examples of retaliation include termination, demotion, denial of promotion, unjustified negative evaluations, harassment, and assault.

Complaints of discrimination should be filed according to the procedures described in the Harassment and Complaint Procedure.

Americans with Disabilities Act (ADA) and Reasonable Accommodation

Shelby County Fiscal Court is committed to the fair and equal employment of individuals with disabilities under the ADA. It is Shelby County Fiscal Court's policy to provide reasonable accommodation to qualified individuals with disabilities unless the accommodation would impose an undue hardship on Shelby County Fiscal Court's operations. Shelby County Fiscal Court prohibits any harassment of, or discriminatory treatment of, employees based on a disability or because an employee has requested a reasonable accommodation.

In accordance with the ADA, reasonable accommodations will be provided to qualified individuals with disabilities to enable them to perform the essential functions of their jobs or to enjoy the equal benefits and privileges of employment. An employee with a disability may request an accommodation from the HR department and engage in an informal process to clarify what the employee needs and to identify possible accommodations. If requested, the employee is responsible for providing medical documentation regarding the disability and possible accommodations. All information obtained concerning the medical condition or history of an applicant or employee will be treated as confidential information, maintained in separate medical files, and disclosed only as permitted by law.

It is the policy of Shelby County Fiscal Court to prohibit harassment or discrimination based on disability or because an employee has requested a reasonable accommodation. Shelby County Fiscal Court prohibits retaliation against employees for exercising their rights under the ADA or other applicable civil rights laws. Employees should use the procedures described in the Harassment and Complaint Procedure to report any harassment, discrimination, or retaliation they have experienced or witnessed.

Commitment to Diversity

Shelby County Fiscal Court is committed to creating and maintaining a workplace in which all employees have an opportunity to participate and contribute to the success of Shelby County and are valued for their skills, experience, and unique perspectives. This commitment is embodied in county policy and the way we do business at Shelby County Fiscal Court and is an important principle of sound business management.

Harassment and Complaint Procedure

It is Shelby County Fiscal Court's policy to prohibit intentional and unintentional harassment of or against job applicants, contractors, interns, volunteers, or employees by another employee, department head, supervisor, vendor, customer, or third party based on actual or perceived race, color, creed, religion, national origin, ancestry, citizenship status, age, sex or gender (including pregnancy, childbirth, and pregnancy-related conditions), gender identity or expression (including transgender status), sexual orientation, marital status, military service and veteran status, physical or mental disability, genetic information, or any other characteristic protected by applicable federal, state, or local laws. Such conduct will not be tolerated by Shelby County Fiscal Court.

Furthermore, any retaliation against an individual who has complained about sexual or other harassment or retaliation against individuals for cooperating with an investigation of a harassment complaint is similarly unlawful and will not be tolerated. Shelby County Fiscal Court will take all reasonable steps necessary to prevent and eliminate unlawful harassment.

Definition of "unlawful harassment." "Unlawful harassment" is conduct that has the purpose or effect of creating an intimidating, a hostile, or an offensive work environment; has the purpose or effect of substantially and unreasonably interfering with an individual's work performance; or otherwise adversely affects an individual's employment opportunities because of the individual's membership in a protected class.

Unlawful harassment includes, but is not limited to, epithets; slurs; jokes; pranks; innuendo; comments; written or graphic material; stereotyping; or other threatening, hostile, or intimidating acts based on race, color, ancestry, national origin, gender, sex, sexual orientation, marital status, religion, age, disability, pregnancy, veteran status, or another characteristic protected by state or federal law.

Definition of "sexual harassment." While all forms of harassment are prohibited, special attention should be paid to sexual harassment. "Sexual harassment" can include all of the above actions, as well as other unwelcome conduct, and is generally defined under both state and federal law as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature whereby:

- Submission to or rejection of such conduct is made either explicitly or implicitly a term or condition of any individual's employment or as a basis for employment decisions.
- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, a hostile, or an offensive work environment.

Other sexually oriented conduct, whether intended or not, that is unwelcome and has the effect of creating a work environment that is hostile, offensive, intimidating, or humiliating to workers may also constitute sexual harassment.

While it is not possible to list all those additional circumstances that may constitute sexual harassment, the following are some examples of conduct that, if unwelcome, may constitute sexual harassment depending on the totality of the circumstances, including the severity of the conduct and its pervasiveness:

- Unwanted sexual advances, whether they involve physical touching or not;
- Sexual epithets; jokes; written or oral references to sexual conduct; gossip regarding one's sex life; comments about an individual's body; and comments about an individual's sexual activity, deficiencies, or competence;
- Displaying sexually suggestive objects, pictures, or cartoons;
- Unwelcome leering, whistling, brushing up against the body, sexual gestures, or suggestive or insulting comments;
- Inquiries into one's sexual experiences; or
- Discussion of one's sexual activities.

All employees should take special note that, as stated above, retaliation against an individual who has complained about sexual or other harassment and retaliation against individuals for cooperating with an investigation of sexual or other harassment complaints violate Shelby County Fiscal Court's policy.

Complaint procedure. If you believe you have been subject to or have witnessed unlawful discrimination, including sexual or other forms of unlawful harassment, or other inappropriate conduct, you are requested and encouraged to make a complaint. You may complain directly to your department head or the HR Manager, or any other member of management with whom you feel comfortable bringing such a complaint. Similarly, if you observe acts of discrimination toward or harassment of another employee, you are requested and encouraged to report this to one of the individuals listed above.

If the employee feels that they have experienced or witnessed harassment or sexual harassment, that person shall have the right to process a complaint in accordance with the following procedures;

Level One:

- 1) The aggrieved employee shall present the grievance to his/her Department Head within 24 hours of its occurrence.
- 2) The grievance (and all subsequent appeals) shall be in writing utilizing the appropriate complaint form (page 93) and shall set forth the reasons and grounds for the grievance along with a statement of the relief sought. The department head shall attempt to resolve the matter and shall respond to the employee in writing within five (5) working days.

- 3) If the grievance is against the department head or any member of management the aggrieved employee will present all information to Human Resources.

Level Two:

- 1) If the grievance remains unresolved, it may then be presented by the aggrieved employee to the County Judge Executive within five (5) working days after receiving the department head's written response or after speaking with Human Resources.
- 2) The County Judge Executive shall consider all information concerning the grievance and shall make a decision regarding the matter and respond to the employee within ten (10) working days. The decision of the County Judge Executive shall be final.

All complaints will be investigated promptly, and confidentiality will be protected to the greatest extent possible. A timely resolution of each complaint should be reached and communicated to the parties involved.

If the investigation confirms conduct that violates this policy has occurred, Shelby County Fiscal Court will take immediate, appropriate, corrective action, including discipline, up to and including immediate termination.

No reprisal, retaliation, or other adverse action will be taken against an employee for making a complaint or report of discrimination or harassment or for assisting in the investigation of any such complaint or report. Any suspected retaliation or intimidation should be reported immediately to one of the persons identified above.

Harassment and Sexual Harassment – False Accusation Procedure

While Shelby County Fiscal Court does not want to stifle an employee's right to bring good faith complaints of harassment or sexual harassment in any way, Shelby County Fiscal Court also recognizes that false accusations of harassment and sexual harassment can have a serious effect on innocent men and women. Accusations which, after investigation, are determined to be intentionally false or otherwise malicious in intent may result in appropriate disciplinary action against the accuser including immediate termination.

Harassment and Sexual Harassment – Employee Inquiry Procedure

The Shelby County Fiscal Court encourages any employee to raise questions he/she may have regarding the harassment or sexual harassment policy with his or her immediate supervisor, department head, Manager of Human Resources or the County Judge Executive.

Section 3 - Conflicts of Interest and Confidentiality

Conflicts of Interest

Shelby County Fiscal Court expects all employees to conduct themselves and county operations in a manner that reflects the highest standards of ethical conduct and in accordance with all federal, state, and local laws and regulations. This includes avoiding real and potential conflicts of interests.

Exactly what constitutes a conflict of interest or an unethical business practice is both a moral and a legal question. Shelby County Fiscal Court recognizes and respects the individual employee's right to engage in activities outside of employment that are private in nature and do not in any way conflict with or reflect poorly on the county.

It is not possible to define all the circumstances and relationships that might create a conflict of interest. If a situation arises in which there is a potential conflict of interest, the employee should discuss this with a manager for advice and guidance on how to proceed. The list below suggests some of the types of activities that indicate improper behavior, unacceptable personal integrity, or unacceptable ethics:

1. Simultaneous employment by another firm that is a competitor of or supplier to Shelby County Fiscal Court;
2. Carrying on county business with a firm in which the employee, or a close relative of the employee, has a substantial ownership or interest;
3. Holding a substantial interest in, or participating in the management of, an office to which the county works with or from which it makes purchases;
4. Borrowing money from co-workers, management or offices the county works with, other than recognized loan institutions, from which the county buys services, materials, equipment, or supplies;
5. Accepting substantial gifts or excessive entertainment from an outside organization or agency;
6. Speculating or dealing in materials, equipment, supplies, services, or property purchased by the county;
7. Participating in civic or professional organization activities in a manner that divulges confidential county information;
8. Misusing privileged information or revealing confidential data to outsiders or other co-workers that aren't involved in specific meetings and/or issues that may arise;
9. Using one's position in the county or knowledge of its affairs for personal gains; or
10. Engaging in practices or procedures that violate antitrust laws, commercial bribery laws, copyright laws, discrimination laws, campaign contribution laws, or other laws regulating the conduct of county operations.

Confidential Information

The protection of confidential business information and trade secrets is vital to the interests and success of Shelby County Fiscal Court. Confidential information is any and all information disclosed to or known by you because of employment with the county that is not generally known to people outside the county about its business.

An employee who improperly uses or discloses trade secrets or confidential county information will be subject to disciplinary action up to and including termination of employment and legal action, even if the employee does not actually benefit from the disclosed information.

All inquiries from the media must be referred to the COUNTY JUDGE EXECUTIVE OR HIS/HER DESIGNEE.

This provision is not intended to, and should not be interpreted to, prohibit employees from discussing wages and other terms and conditions of employment if they so choose.

Section 4 - Employment Relationship

Employee Privacy

It is Shelby County Fiscal Court's goal to respect the individual privacy of its employees and at the same time maintain a safe and secure workplace. When issues of safety and security arise, you may be requested to cooperate with an investigation. The investigation may include the following procedures to safeguard the county and its employees: searches of personal belongings, searches of work areas, searches of private vehicles on county premises, medical examinations, and so forth. Failure to cooperate with an investigation is grounds for termination. Providing false information during any investigation may lead to discipline, including termination.

Employees are expected to make use of county facilities only for the business purposes of the county. Accordingly, materials that appear on county hardware or networks are presumed to be for business purposes, and all such materials are subject to review by the county at any time without notice to the employees. Employees do not have to have any expectation of privacy with respect to any material on county property. Shelby County Fiscal Court regularly monitors its communications systems and networks as allowed by law. Monitored activity may include voice, e-mail, and text communications, as well as internet search and browsing history. Employees who make excessive use of the communications system for personal matters are subject to discipline. Employees are expected to keep personal communication to a minimum and to emergency situations.

Video surveillance. As part of its security measures and to help ensure a safe workplace, Shelby County Fiscal Court has positioned video cameras to monitor various areas of its facilities. Video cameras will not be used in private areas, such as break rooms, restrooms, etc.

Privacy—Social Security Numbers

Policy and Procedure Regarding Use and Disclosure of Social Security Numbers

Purpose. This policy and procedure explains Shelby County Fiscal Court's general standards and practices for how Social Security numbers are gathered, stored, disclosed, and ultimately disposed of.

Policy. It is Shelby County Fiscal Court's policy that Social Security numbers obtained from employees, vendors, contractors, customers, or others are confidential information.

Social Security numbers will be obtained, retained, used, and disposed of only for legitimate business reasons and in accordance with the law and this policy.

Procedure. Documents or other records containing employee Social Security numbers generally will be requested, obtained, or created only for legitimate business reasons consistent with this policy. For example, Social Security numbers may be requested from employees for tax reporting purposes (i.e., Internal Revenue Service (IRS) Form W-4), for new hire reporting, or for purposes of enrollment in the county's employee benefit plans.

Retention and access to Social Security numbers. All records containing Social Security numbers (whether partial or complete) will be maintained in secure, confidential files with limited access.

Unauthorized use/disclosure of Social Security numbers. Any employee who obtains, uses, or discloses Social Security numbers for unauthorized purposes or contrary to the requirements of this policy and procedure may be disciplined, up to and including discharge. Shelby County Fiscal Court will cooperate with investigations of any person alleged to have obtained, used, or disclosed Social Security numbers for unlawful purposes.

Employment Classification

In order to determine eligibility for benefits and overtime status and to ensure compliance with federal and state laws and regulations, Shelby County Fiscal Court classifies its employees as shown below. Shelby County Fiscal Court may review or change employee classifications at any time.

Each employee of the County shall be classified as follows:

- *Full-Time:* An employee who works 32+ hours per week on a regular basis, in a regular position and receives full benefits.
- *Part-Time:* An employee who works less than 32 hours per week in a regular position and receives no benefits unless the County Employees Retirement System requires retirement participation.
- *Temporary/Seasonal:* An employee who works various/occasional hours per week for a period of less than nine (9) months per calendar year.

Employees will be classified as exempt or non-exempt in accordance with state and federal law.

- *Exempt:* An exempt position is generally an executive, administrative, professional or highly skilled computer professional and therefore is not covered by the overtime provisions of the Fair Labor Standards Act or State Wage and Hour Law.
- *Non-Exempt:* Non-exempt positions are covered by the overtime provision of the Fair Labor Standards Act. Non-exempt employees are entitled to overtime.

Full-time employees shall be entitled to all benefits as provided in this Employee Handbook. Part-time, seasonal and temporary employees shall NOT be entitled to all benefits.

Workweek and Hours of Work

The standard working hours for full-time employees shall consist of forty hours (40) per week, eight (8) hours a day. The exception to this schedule will be for the following departments:

EMS	24 hours on, 48 hours off rotating schedule (determined by Chief of Operations)
Detention Center	12 hour shifts for Deputy Jailers
Dispatch	12 hour shifts for Dispatch
Sheriff Dept	Some 8 hour and some 10 hour shift Deputies (determined by the County Sheriff)

Meal and Rest Breaks

Kentucky Labor Laws require employers to provide employees with a rest period of at least 10 minutes during each four hours of work. The rest period is a paid break.

Employers must also provide a reasonable period for a meal no sooner than the third nor later than the fifth hour of a work shift unless it has been mutually agreed with the employee or other agreement. Meal periods are not paid breaks.

Each supervisor and/or department head will coordinate meetings and annual and sick leave requests to ensure staff coverage during their scheduled office hours of business.

In emergencies and other circumstances, consistent with the maintenance of essential county services, a department head, with the approval of the County Judge Executive, may work overtime.

Employees called out who work more than two hours shall be compensated for hours actually worked at one and one-half times their hourly rate.

COMP Time

The County does not provide compensatory time to any employee.

Punctuality and Absenteeism

Punctuality and attendance are important. Unexcused tardiness and/or absenteeism may result in disciplinary action, up to and including termination.

Time Records

All employees are required to complete accurate bi-weekly time reports showing all time actually worked. These records are required by governmental regulations and are used to calculate regular and overtime pay for the non-exempt employees and also used to accurately pay exempt employees. Bi-weekly, you and your department head must sign the time sheet attesting to its accuracy before forwarding it to the Finance Department for payroll processing.

Overtime

Shelby County Fiscal Court recognizes that employees may be required to work overtime in order to complete projects, meet job commitments, and/or make up for an employee shortfall. In response, the Shelby County overtime policy is as follows:

Purpose.

The purpose of this policy is to (a) establish guidelines for mandatory overtime, (b) outline the overtime eligibility and authorization process, and (c) to establish disciplinary procedures for violations of this policy.

Scope.

Except for Shelby County EMS and Shelby County Road Department employees this policy shall apply to all Shelby County Fiscal Court non-exempt employees, including part-time, full-time, and/or seasonal employees. "Overtime" means any additional hours worked in excess of the mandatory 40 hours per week that each employee physically works. (Please see exception rules for EMS and the Road Department at the end of the policy.)

Mandatory Overtime.

Shelby County Fiscal Court may require any and/or all non-exempt employees to work overtime as may become necessary in cases of emergency, in order to complete projects, to meet job commitments or in cases where there are insufficient employees to complete a task during normal working hours. Shelby County Fiscal Court will pay non-exempt employees one- and one-half times their normal pay rate for all overtime hours worked.

General Guidelines:

- Employees are classified as exempt or non-exempt by Shelby County Fiscal Court according to overtime pay laws.

- All non-exempt employees subject to this provision who work in excess of 40 hours per week shall be entitled to be paid overtime for that work as stated herein.

Authorization.

Department heads shall determine when non-exempt employees are needed to work overtime. In addition, department heads shall avoid mandating overtime, unless, in their discretion, it is absolutely necessary.

Employees shall only work overtime as directed by the department head. Any employee not having prior authorization shall be subject to disciplinary action in the event that they work unauthorized overtime.

On Call Situations.

The overtime policy shall apply to on call employees or other non-exempt employees called into work outside of normal working hours.

Employees who are on call must adhere to all of Shelby County Fiscal Court's policies, including, but not limited to, drug and alcohol use and testing. Any violation of fiscal court policy may result in disciplinary action, up to and including termination.

Road Department

Mandatory overtime resulting from weather events or other like circumstances shall be paid at one- and one-half times the employee's regular rate of pay regardless of whether the road department employee has physically worked the normal 40-hour workweek. The Road Department Supervisor shall take all necessary steps to ensure that overtime is not abused or misused and that only necessary employees are used to perform overtime service.

EMS

EMS personnel are required to work 48 hours one week and 72 hours the following week based on their schedules. The employees shall be paid at an adjusted overtime rate, or one- and one-half times their normal hourly pay rate, for eight (8) hours on the 48-hour shift week and 32 hours on the 72-hour shift week for a total of a minimum of 40 hours of overtime per biweekly pay period. If the employee works overtime hours in addition to the minimum they shall be paid for those overtime hours worked also. All overtime outside the EMS employee's normal schedule is at the discretion of the EMS Chief of Operations.

If an EMS employee is off work for an extended sick leave and they run out of their paid time off (sick, vacation, etc.) other EMS employees have the option of donating time to the EMS employee that is off. If an EMS employee receives donated time they will not earn the adjusted overtime rate while using donated time. They will, instead, be paid at their regular rate of pay for the donated time being used.

- Adjusted overtime shall not be made up or paid when the EMS employee returns to work while on leave without pay or while using donated time.
- Adjusted overtime shall not be paid or made up by an EMS employee while they are out and being paid by Worker's Comp.

- Time shall not be adjusted if the EMS employee does not have the available sick, vacation or holiday time to take in order to adjust the overtime. An EMS employee cannot have their time adjusted to the overtime rate for any negative time balances.

Deductions from Pay

Shelby County Fiscal Court does not make improper deductions from the salaries of exempt or non-exempt employees and complies with the salary basis requirements of the Fair Labor Standards Act (FLSA). Employees classified as exempt from the overtime pay requirements of the FLSA will be notified of this classification at the time of hire or change in position.

Permitted deductions. The FLSA limits the types of deductions that may be made from the pay of an exempt or non-exempt employee. Deductions that are permitted include, but are not limited to:

- Deductions that are required by law, e.g., income taxes;
- Deductions for employee benefits when authorized by the employee;
- Absence from work for 1 or more full days for personal reasons other than sickness or disability;
- Absence from work for 1 or more full days due to sickness or disability if the deduction is made in accordance with a bona fide plan, policy, or practice of providing compensation for salary lost due to illness;
- Offset for amounts received as witness or jury fees or for military pay;
- Unpaid disciplinary suspensions of 1 or more full days imposed in good faith for workplace conduct rule infractions; *or*
- Any full workweek in which the employee does not perform any work.

During the week an exempt employee begins work for the county or during the last week of employment, the employee will only be paid for actual hours worked. In addition, an employee may be paid only for hours worked during a period when the employee is using unpaid leave under the Family and Medical Leave Act (FMLA).

Improper deductions. If an employee classified as exempt or non-exempt believes that an improper deduction has been taken from the employee's pay, the employee should immediately report the deduction to the County Treasurer. The report will be promptly investigated, and if it is found that an improper deduction has been made, the county will reimburse the employee for the improper deduction.

Paychecks

Time sheets are the basis from which payroll checks are computed at the end of each pay period. The employee must sign the form and submit it to his/her department head. It is each department head's responsibility to be certain their department's time sheets are completed and contain an accurate account of all hours worked, hours for paid time taken off, leave without pay or any other form of time that may need to be accounted for during any given pay period.

Time sheets/cards are maintained by the Shelby County Fiscal Court as a three-year record, all hours worked must be accurately recorded. This information is the basis for compiling payroll and determining costs. The minimum increment of time to be recorded on your time sheet/card is one-quarter (.25) hour.

Employees are paid on a bi-weekly basis (every two weeks). Pay periods begin on Friday at 12:00am (midnight) and ends two weeks later on Thursday at 11:59pm, with the payroll for that pay period being directly deposited to the employee's designated account on Friday of the following week. There are usually twenty-six (26) pay periods during each calendar year. Whatever hours the employee worked during the pay period will be paid in accordance with the bi-weekly schedule. Under no circumstances will Shelby County Fiscal Court grant an advance payment of salary. It will be the responsibility of the employee to notify the County Treasurer within one (1) week if their direct deposit was not received by their financial institution. Direct deposit is a requirement of employment with Shelby County Fiscal Court, there will be no exceptions.

Payroll sheets and timecards are to be turned into the Finance Office no later than 9:00am on Wednesday morning of payroll week. Any corrected time must be received by 11:00am on that same Wednesday; if this deadline is missed the corrected time will be made on the next payroll run.

Salary Increases

Pending budgetary constraints pay/salary increases may or may not be given. Increases may be given based on:

1. Cost of Living
2. Promotion and/or
3. Industry/position adjustment

County elected officials not covered by the KRS 64.5275 shall automatically receive the KRS 64.527 annual Consumer Price Index (CPI) adjustment in February of each year. Fiscal Court may decline the CPI increase for those elected county officials referenced herein, in any year, by order, resolution or an approved motion. The order, resolution or approved motion shall only apply to that year's CPI.

Access to Personnel Files

Employee files are maintained by the HR department and are considered confidential. Managers and supervisors may only have access to personnel file information on a need-to-know basis. Employees may inspect their own personnel files and may copy them but may not remove documents from their file. Inspections by employees must be requested in writing to the HR department and will be scheduled at a mutually convenient time or as required under state law. Personnel files are to be reviewed in the HR department.

Representatives of government or law enforcement agencies, in the course of their duties, may be allowed access to file information.

Employment of Relatives and Domestic Partners

Relatives and domestic partners may be hired by the county if (1) the persons concerned will not work in a direct supervisory relationship, and (2) the employment will not pose difficulties for supervision, security, safety, or morale. For the purposes of this policy, "relatives" are defined as spouses, children, siblings, parents, or grandparents. A "domestic partnership" is generally defined as a committed relationship between two individuals who are sharing a home or living arrangements.

Current employees who marry each other or become involved in a domestic partnership will be permitted to continue employment with the county provided they don't work in a direct supervisory relationship with each other or otherwise pose difficulties as mentioned above. If employees who marry or live together do work in a direct supervisory relationship with each other, the county will attempt to reassign one of the employees to another position for which the employee is qualified if such a position is available. If no such position is available, the employees will be permitted to determine which one of them will resign from county employment.

Separation from Employment

In all cases of voluntary resignation (one initiated by the employee), employees are asked to provide a written notice to their department head at least 10 working days in advance of the last day of work. The 10 days must be actual working days. Holidays and PTO will not be counted toward the 10-day notice. Employees who provide the requested amount of notice will be considered to have resigned in good standing and generally will be eligible for rehire.

In most cases, HR will conduct an exit meeting on or before the last day of employment to collect all county property and to discuss final pay. If applicable, information regarding benefits continuation through the Consolidated Omnibus Budget Reconciliation Act (COBRA) will be sent to the employee's home address by the insurance company.

Should it become necessary because of business conditions to reduce the number of employees or work hours, this will be done at the discretion of the county.

Job applicants, who are denied because of a positive test, may reapply for employment after six (6) months. The records will be maintained in the applicant's confidential medical file.

B. Reasonable Suspicion

If an employee's work performance is indicative of possible alcohol or drug misuse as demonstrated by the following behaviors/symptoms or if the employer observes specific, contemporaneous, and articulable conduct pertaining to the appearance, behavior, speech or body odors of the employee that indicate that he/she may be in violation of this policy, an appropriately trained supervisor, with the concurrence of the department head or Manager of Human Resources will require the employee to submit to a breath test and/or urinalysis. The employee will be required to release any evidence relating to the observation for further testing. Failure to comply may subject the employee to subsequent discipline or suspension. All confiscated evidence will be receipted for with signatures of both the receiving department head and the provider.

If upon questioning by the department head, the employee admits using but requests assistance, the County Judge Executive or appropriate Elected Official may arrange for assessment by the substance abuse professional (SAP). Reassignment of job duties will be conditioned on completing the SAP's guidelines and return to work testing.

The department head shall, within 24 hours or before the results of the alcohol or controlled substance testing are released, document the particular facts related to the behavior or performance problems and present documentation to the County Judge Executive or appropriate Elected Official.

All department heads will receive a minimum of one (1) hour training on alcohol abuse and one (1) hour training on drug abuse annually to assist them in identifying behavioral characteristics.

C. Post-Accident Testing

Accident: an unexpected and undesirable event resulting in damage or harm. For the purposes of this policy, the resulting damage or harm may constitute an injury which requires off-site medical attention be given to a person or damage to a vehicle or

Adherence by the employee to the post-accident testing requirements is a condition of continued employment with the county.

D. Random Selection

- 1) A selection process which removes discretion in selection will be adopted by the county.
- 2) The random testing will be reasonably spaced over a twelve (12) month period.
- 3) Once notified, the employee will immediately proceed to the collection site. The employee will not be notified prior to duty that he is to be tested. If the employee is not scheduled to work within 72 hours he will not be randomly tested until drawn again.

Collection of Breath and Blood/Urine Specimens and Laboratory Analysis

Breath Alcohol Testing

Breath alcohol testing will be conducted at a prearranged location by a qualified Breath Alcohol Technician according to 49 CFR Part 40 procedures. Refusal to provide breath will be considered a positive test, and the employee will be removed from their safety-sensitive position until resolved.

Blood or Urine Specimen Collection

Specimen collection will be conducted within applicable state and federal law. The collection procedures will be designed to ensure the security and integrity of the specimen provided by each employee, and those procedures will strictly follow federal chain-of-custody guidelines. Every effort will be made to maintain the dignity of each employee submitting specimen for analysis in accordance with these procedures.

Laboratory Analysis

Only a laboratory certified by the Department of Health and Human Services (DHHS) to perform blood specimen or urinalysis for the detection of the presence of controlled substances will be retained by the county. The laboratory will be required to maintain strict compliance with federally approved chain of custody procedures, quality control, maintenance and scientific analytical methodologies.

Follow-up Testing

Following a determination that an employee is in need of assistance in resolving problems associated with alcohol misuse and/or use of controlled substances, the county shall see the employee is subject to unannounced follow-up testing as directed by the SAP as required by 382 CFR 605©(2)(ii). Follow-up alcohol testing shall be conducted only when the employee is performing safety-sensitive functions, just before the employee is to perform or just after the employee has performed safety essential functions.

Consequences: Appeal of Test Results

- A. Alcohol and drug abuse may not only threaten the safety and productivity of all employees but causes serious individual health consequences.
- B. An employee testing positive for alcohol or drug use is subject to disciplinary action, up to and including termination. Refusal to submit to testing will also be considered a positive test. Refusal includes not providing a breath, blood or urine sample as directed, neglecting to sign appropriate control forms, using alcohol within 8 hours of an accident unless a test sample has been taken earlier, or engaging in conduct that clearly obstructs the testing process.

- C. Any employee testing positive for the presence of a controlled substance will be contacted by the county's MRO (Medical Review Officer). The employee will be allowed to explain and present medical documentation to explain permissible drugs. All such discussions between the employee and the MRO will be confidential. If medically supportable reasons exist to explain the positive result, the MRO will report the test result to the county as negative.
- D. Within 72 hours after the employee has been notified of a positive test result for drugs, he may request a retest of the split sample. The signed request will be provided to the MRO in writing, who will then initiate the new laboratory analysis. If a different result is detected by the subsequent laboratory, the test will be voided by the MRO and the County Judge Executive or appropriate Elected Official/department head will be notified. A new sample may be requested as appropriate. Any testing in addition to the initial test will be conducted at the expense of the employee.
- E. The employee may seek assistance from a substance abuse professional who, in conjunction with the MRO, will take appropriate action, which may include diagnosing the problem and recommending treatment. This is to be done at the expense of the employee.
- F. If the employee acknowledges a substance abuse problem, requests assistance and completes the substance abuse treatment recommended by the SAP, these may be considered to be mitigating factors.
- G. The employees' successful completion of an approved treatment program may be a condition of continued employment.
- H. An employee will be required to submit to at least 6 unannounced drug tests during the first year and follow-up testing may be conducted for up to 60 months. Failure to adhere to this condition is grounds for immediate termination.
- I. Nothing in these policies shall be deemed as precluding the county from dismissing any employee who has been found to be in violation of these policies. There is no express responsibility to retain an employee, or to provide assistance beyond referral information regarding rehabilitative resources.

Confidentiality

Under no circumstance, unless required by law, will alcohol or drug testing information or results for any employee or applicant be released without written request from the applicable employee. Employees are entitled, upon written request, to obtain copies of any records pertaining to his/her use of alcohol or controlled substances, including any records pertaining to his/her alcohol or controlled substances tests. The county will have five (5) working days to provide copies.

Collection of breath, blood and urine samples must always be documented and sealed with a tamper-proof system in the presence of the employee, to ensure that all tests can be correctly traced to the employee. Drug and alcohol test analysis from the Department of Health and Human Services (HHS) approved laboratory will be forwarded directly to the MRO for confidential record keeping.

Tobacco Free Workplace

Because of the hazards caused by exposure to environmental tobacco smoke and nicotine, as well as the life-threatening diseases linked to the use of all forms of tobacco, it shall be the policy of Shelby County Fiscal Court to provide a tobacco-free environment for all officers, employees and visitors. This policy covers the smoking of any tobacco product, e-cigarettes and the use of oral tobacco products. The use of tobacco products shall not be permitted within the facilities or in any county vehicle of Shelby County Fiscal Court at any time.

Tobacco use in designated areas outside the facilities are at the discretion of the County Judge Executive.

Workplace Bullying

Shelby County Fiscal Court defines bullying as "repeated inappropriate behavior, either direct or indirect, whether verbal, physical or otherwise, conducted by one or more persons against another or person or persons, at the place of work and/or in the course of employment."

The purpose of this policy is to communicate to all employees, including supervisors, managers, department heads, directors and executives that Shelby County Fiscal Court will not, in any instance, tolerate bullying behavior. Employees found in violation of this policy will be disciplined, up to and including termination.

Bullying may be intentional or unintentional. However, it must be noted that where an allegation of bullying is made, the intention of the alleged bully is irrelevant, and will not be given consideration when ruling out discipline. As in sexual harassment, it is the effect of the behavior upon the individual which is important.

Shelby County Fiscal Court considers the following types of behavior examples of bullying:

- Verbal Bullying: slandering, ridiculing or maligning a person or his/her family; persistent name calling, which is hurtful, insulting or humiliating; using a person as a butt of jokes; abusive or offensive remarks;
- Physical Bullying: pushing, shoving, kicking, poking, tripping, assault, or threat of physical assault, damage to a person's work area or property;

- Gesture bullying: non-verbal threatening gestures, glances which can convey threatening messages;
- Exclusions: socially or physically excluding or disregarding a person in work-related activities;

Workplace Violence Prevention

Shelby County Fiscal Court is committed to maintaining a workplace free from violence. To achieve this goal, Shelby County Fiscal Court adopts the following policy:

Employees are prohibited from committing any act of physical violence against persons, property and equipment in the workplace or while performing their duties outside the workplace.

Employees are prohibited from making threats toward other persons in the workplace or while performing their duties outside the workplace, or making statements, gestures, or other communications that could reasonably be interpreted as threatening, intimidating or terrorizing; or implying a threat of impending physical violence.

Employees are prohibited from bringing weapons of any kind onto Shelby County Fiscal Court property, including parking areas unless the employee has a concealed deadly weapons (CDW) license. If an employee has a CDW license the employee is prohibited from removing his/her weapon from their personal car unless otherwise authorized by the County Judge Executive in writing.

Employees are prohibited from retaliating against other employees or anyone who reports violence, threats or possible threats to appropriate supervisors or authorities as such reporting is a protected act under this policy.

All Shelby County Employees have a right to work in a setting free from workplace violence. Employees who violate the policy prohibiting workplace violence or threats will be disciplined up to and including termination.

If there has been an incident of violence or a threat of violence as described above, the employee should immediately contact the police.

If the employee is uncertain about whether the incident is serious enough to contact the police, the employee shall consult their immediate supervisor or department head. After the police are called, notify the department head, Manager of Human Resources, Deputy County Judge Executive or County Judge Executive.

If the incident does not warrant police intervention, notify your department head immediately of any act that violates this policy. The department head shall immediately contact the Manager of Human Resources, Deputy County Judge Executive or the County Judge

Executive. If the department head is the person about whom the employee is complaining, notify the Manager of Human Resources. If a supervisor or department head is unavailable or involved in the incident contact the Manager of Human Resources, Deputy County Judge Executive or the County Judge Executive.

In addition, the employee should immediately notify his/her department head of an act or threat of violence in the workplace by a non-employee, such as a spouse, significant other, family member, vendor, client or another person who commits or threatens violence on Shelby County Fiscal Court property or while the employee is performing his/her duties.

Because of the risk to Shelby County Fiscal Court personnel, visitors and property, failure to notify management of workplace violence may constitute grounds for discipline.

Commitment to Safety

Protecting the safety of our employees and visitors is the most important aspect of running our business.

All employees have the opportunity and responsibility to contribute to a safe work environment by using commonsense rules and safe practices and by notifying management when any health or safety issues are present. All employees are encouraged to partner with management to ensure maximum safety for all.

In the event of an emergency, notify the appropriate emergency personnel by dialing 911 to activate the medical emergency services.

Any workplace injury, accident, or illness must be reported to the employee's department head and Human Resources as soon as possible, regardless of the severity of the injury or accident.

Emergency Closings

Shelby County Fiscal Court will always make every attempt to be open for business. Only the County Judge Executive can call off work due to inclement weather. If that happens each department head will be contacted and they will be responsible for contacting his/her staff to ensure the normal day to day operations of that department can continue. Full-time employees will receive pay for the day/s off in this case.

If the office is officially closed during the course of the day to permit employees to leave early, full-time employees who are working on-site as of the time of the closing will be paid for a full day. If you leave earlier than the official closing time, you will be paid only for actual hours worked, or you can take PTO time.

If questions arise contact your department head or the Manager of Human Resources at home.

Section 6 - Workplace Guidelines

Attendance

All employees are expected to arrive on time, ready to work, every day they are scheduled to work.

If unable to arrive at work on time, or if an employee will be absent for an entire day, the employee must contact the department head as soon as possible. Voicemail, text, and e-mail messages are not acceptable except in certain emergency circumstances. Excessive absenteeism or tardiness will result in discipline up to and including termination. Failure to show up or call in for a scheduled shift without prior approval also may result in discipline up to and including termination. If an employee fails to report to work or call in to inform the department head of the absence for 3 consecutive days or more, the employee will be considered to have voluntarily resigned employment.

Job Performance

Communication between employees and supervisors or managers is particularly important. Discussions regarding job performance are ongoing and often informal. Employees should initiate conversations with their supervisors if they feel additional ongoing feedback is needed.

Typically, formal performance reviews would be conducted annually, but Shelby County Fiscal Court will only complete annual performance reviews when instructed by the County Judge Executive. These reviews would include a written performance appraisal and discussion between the employee and the department head about job performance and expectations for the coming year.

Outside Employment

Employees are permitted to work a second job as long as it does not interfere with their job performance or create a conflict of interest with Shelby County Fiscal Court.

Employees with a second job are expected to work their assigned schedules. A second job will not be considered an excuse for poor job performance, absenteeism, tardiness, leaving early, refusal to travel, or refusal to work overtime or different hours. In addition, employees who have accepted outside employment may not use paid sick time to work on the outside job. However, an employee on a leave of absence may continue to work in the outside job if this employment has been approved by the county under this policy and the employee's reason for leave does not preclude the outside employment.

If outside work activity causes or contributes to job-related problems, it must be discontinued, or the employee may be subject to disciplinary action up to and including termination.

Dress and Grooming

Shelby County Fiscal Court provides a casual, yet professional work environment for its employees. Even though the dress code is business casual, it is important to project a professional image to the public, visitors, and co-workers. All employees are expected to dress in a manner consistent with good hygiene, safety, and good taste.

Certain employees may be required to meet special dress and grooming, such as wearing uniforms or safety equipment/clothing, depending on the nature of their job. Any questions or complaints regarding the appropriateness of attire should be directed to the HR department. Decisions regarding attire will be made by the HR department and not by individual departments or managers.

Uniforms Policy

Objective

To ensure Shelby County Fiscal Court customer-facing employees who are engaged in service and delivery functions are clearly identified as representing the county, Shelby County Fiscal Court has established the following uniform policy.

Policy

Employees engaged in tasks involving customers and the public are required to wear county-designated uniforms at all times while working and representing Shelby County Fiscal Court.

Each new employee will receive up to three uniforms upon hire if they fall into one of the positions in which uniforms are required. Employees are required to sign for the uniforms, and the uniforms are considered county property and are to be returned in the event of termination of employment or anytime on demand.

Upon issue, county uniforms become the responsibility of the employee for maintenance and care unless you are an employee of the Road Department. They have their uniforms serviced each week. In the event a uniform needs repair or replacement, employees will be required to return the uniform in exchange for a replacement. While normal wear and tear is expected, excessive damage or loss of county uniforms may result in disciplinary action.

Shelby County Fiscal Court may issue new uniforms periodically or require uniforms to be returned for special purposes (e.g., logo change, corporate color change). Employees will be given notice of the exchange, and the county will provide suitable replacement uniforms.

Employees are required to return all issued uniforms upon termination of employment. If all issued uniforms are not returned, Shelby County Fiscal Court will deduct the cost of the uniforms from the employee's final paycheck (except where such deductions are prohibited by state law).

If employees have questions regarding this policy or its implementation, they should contact the Human Resource department or the department head in the department in which they work.

Social Media Acceptable Use

Shelby County Fiscal Court encourages employees to share information with coworkers and with those outside the county for the purposes of gathering information, generating new ideas, and learning from the work of others. Social media provides inexpensive, informal, and timely ways to participate in an exchange of ideas and information. However, information posted on a website is available to the public, and therefore, the county has established the following guidelines for employee participation in social media.

Note: As used in this policy, “social media” refers to blogs, forums, and social networking sites, such as Twitter, Facebook, LinkedIn, YouTube, Instagram, and Snapchat, among others.

Off-duty use of social media. Employees may maintain personal websites or weblogs on their own time using their own facilities. Employees must ensure that social media activity does not interfere with their work. In general, the county considers social media activities to be personal endeavors, and employees may use them to express their thoughts or promote their ideas. In addition, employees may not post on a personal blog or webpage or participate on a social networking platform for personal purposes during work time or at any time with Shelby County Fiscal Court equipment or property.

On-duty use of social media. Employees may engage in social media activity during work time provided it is directly related to their work and approved by their department head and does not identify or reference county management, the public, or vendors without express permission. The county monitors employee use of county owned computers and the internet, including employee blogging and social networking activity.

Respect. Demonstrate respect for the dignity of the county, management, the public, vendors, and employees. A social media site is a public place, and employees should avoid inappropriate comments. For example, employees should not divulge Shelby County Fiscal Court confidential information such as trade secrets, client lists, or information restricted from disclosure by law on social media sites. Similarly, employees should not engage in harassing or discriminatory behavior that targets other employees or individuals because of their protected class status or make defamatory comments or engage in other behavior that violates the county’s policies.

Post disclaimers. Employees who identify themselves as county employees or discuss matters related to the county on a social media site must include a disclaimer on the front page stating that it does not express the views of the county and that the employees are expressing only personal views—for example: “The views expressed on this website/weblog are mine alone and do not necessarily reflect the views of my employer.” Place the disclaimer in a prominent position and repeat it for each posting expressing an opinion related to the county or the county’s operations. Employees must keep in mind that if they

post information on a social media site that is in violation of county policy and/or federal, state, or local law, the disclaimer will not shield them from disciplinary action.

Competition. Employees should not use social media to criticize the county's operations or management and should not use it to compete with the county.

Confidentiality. Do not identify or reference county clients, customers, or employees without express permission. Employees may write about their jobs in general but may not disclose any confidential or proprietary information. For examples of confidential information, please refer to the confidentiality policy. When in doubt, ask before publishing.

New ideas. Please remember that new ideas related to work or the county's operations belong to the county. Do not post them on a social media site without the county's permission.

Trademarks and copyrights. Do not use the county's or others' trademarks on a social media site or reproduce the county's or others' material without first obtaining permission.

Avoid statements about the county's future. Composing anything that relates to confidential or any other type of information related to the county may violate Securities and Exchange Commission (SEC) rules or other applicable laws.

Legal. Employees are expected to comply with all applicable laws, including, but not limited to, Federal Trade Commission (FTC) guidelines and copyright, trademark, and harassment laws.

County restrictions. Because the county is a local government agency, it may require that employees temporarily confine social media commentary to topics unrelated to the county or that employees temporarily suspend such activity to ensure compliance with the SEC's regulations or other laws. The county may also require employees to delete references to it on a website or weblog and to stop identifying themselves as employees of the county.

Discipline. Violations of this policy may result in discipline up to and including immediate termination of employment.

Nothing in this policy is meant to, nor should it be interpreted to, in any way limit your rights under any applicable federal, state, or local laws, including your rights under the NLRA to engage in protected concerted activities with other employees to improve or discuss terms and conditions of employment, such as wages, working conditions, and benefits. Employees have the right to engage in or refrain from such activities.

Bulletin Boards

All required governmental postings are posted on the board located in the reception office of the courthouse at 501 Main Street on the third floor. This board also contains general announcements.

Solicitation

Employees should be able to work in an environment that is free from unnecessary annoyances and interference with their work. In order to protect our employees and visitors, solicitation by employees is strictly prohibited while either the employee being solicited or the employee doing the soliciting is on "working time." "Working time" is defined as time during which an employee is not at a meal, on break, or on the premises immediately before or after a shift.

Employees are also prohibited from distributing written materials, handbills, or any other type of literature on working time and, at all times, in "working areas," which include all office areas. "Working areas" do not include break rooms, parking lots, or common areas shared by employees during nonworking time.

Nonemployees may not trespass or solicit or distribute materials anywhere on county property at any time.

Nothing in this policy is meant to, nor should it be interpreted to, in any way limit your rights under any applicable federal, state, or local laws, including your rights under the NLRA to engage in protected concerted activities with other employees to improve or discuss terms and conditions of employment, such as wages, working conditions, and benefits. Employees have the right to engage in or refrain from such activities.

Computers, Internet, E-Mail, and Other Resources

The county provides a wide variety of communication tools and resources to employees for use in running day-to-day business activities. Whether it is the telephone, voicemail, scanner, internet, intranet, e-mail, text messaging, portable electronic devices, or any other county-provided technology, use should be reserved for business-related matters during working hours. All communication using these tools should be handled in a professional and respectful manner.

Employees should not have any expectation of privacy in their use of county computer, phone, portable electronic devices, or other communication tools. All communications made using county-provided equipment or services, including e-mail and internet activity, are subject to inspection by the county. Employees should keep in mind that even if they delete an e-mail, a voicemail, or another communication, a copy may be archived on the county's systems.

Employee use of county-provided communication systems, including personal e-mail and internet use, which is not job-related has the potential to drain, rather than enhance, productivity and system performance. You should also be aware that information transmitted

through e-mail and the internet is not completely secure or may contain viruses or malware, and information you transmit and receive could damage the county's systems, as well as the reputation and/or operations of the county. To protect against possible problems, delete any e-mail messages before opening that are received from unknown senders and advertisers. It also is against county policy to turn off antivirus protection software or make unauthorized changes to system configurations installed on county computers. Violations of this policy may result in termination for a first offense.

The county encourages employees to use e-mail only to communicate with fellow employees, suppliers, customers, or potential customers regarding county business. Internal and external e-mails are considered business records and may be subject to federal and state recordkeeping requirements, as well as to discovery in the event of litigation. Be aware of this possibility when sending e-mails within and outside the county.

All use of county-provided communications systems, including e-mail and internet use, should conform to our county guidelines/policies, including but not limited to the Equal Opportunity, Harassment, Confidential Information, and Conflicts of Interest. So, for example, employees should not engage in harassing or discriminatory behavior that targets other employees or individuals because of their protected class status or make defamatory comments. Similarly, employees should not divulge confidential information such as trade secrets, client lists, or information restricted from disclosure by law on social media sites.

Because e-mail, telephone and voicemail, and internet communication equipment are provided for county business purposes and are critical to the county's success, your communications may be accessed without further notice by the IT Managed Service administrators and county management to ensure compliance with this guideline.

The electronic communication systems are not secure and may allow inadvertent disclosure, accidental transmission to third parties, etc. Sensitive information should not be sent via unsecured electronic means.

Employees should pay particular care to the use and security of portable electronic devices when used for business-related purposes, such as laptops, tablets, smartphones, and other data storage media, whether provided by the employer or the employee. Lost or stolen portable electronic devices containing county information may cause breaches of security that result in the loss of county confidential commercial data, the loss of vital research data, the unauthorized disclosure of sensitive employee data, lawsuits against the individual, and lawsuits against the county. Employees should use appropriate password protections for such devices and physically secure them as recommended by the IT Managed Service administrators.

Office telephones are for business purposes. While the county recognizes that some personal calls are necessary, these should be kept as brief as possible and to a minimum. Personal use of the county's cell phones, long-distance account, or toll-free numbers is strictly prohibited. Abuse of these privileges is subject to corrective action up to and including termination.

The county reserves the right to monitor customer calls to ensure employees abide by county quality guidelines and provide appropriate levels of customer service. Should the subject matter of any telephone conversation become personal while monitoring is taking place, monitoring of the call will immediately be discontinued.

Nothing in this policy is meant to, nor should it be interpreted to, in any way limit your rights under any applicable federal, state, or local laws, including your rights under the NLRA to engage in protected concerted activities with other employees to improve or discuss terms and conditions of employment, such as wages, working conditions, and benefits. Employees have the right to engage in or refrain from such activities.

Disciplinary Procedure

Shelby County Fiscal Court expects employees to comply with the county standards of behavior and performance and to correct any noncompliance with these standards.

The following steps are suggested in the discipline procedure. All steps should be documented in the employee's personnel file.

Shelby County Fiscal Court believes in the application of progressive discipline when deemed appropriate. However, the county reserves the right to skip any step or requirement outlined below depending on the severity of the misconduct or when the facts or circumstances otherwise warrant. It is also noted that in establishing the following disciplinary procedures it is specifically not the county's intention to create any employment situation that compromises its at-will employment status but instead ensuring that the county employs quality employees with the desire to better themselves and the county as a whole. As expressly stated, nothing in these policies is intended to create a contract of employment. Any individual may voluntarily leave employment or may be terminated by the county at any time, for any reason permitted by law, or for no reason at all.

When an employee fails to follow any rule, regulation, operating procedure or job requirement, one of the following measures shall apply, depending upon the circumstances involved and the severity of the offense:

Verbal Warning

In the case of a minor infraction, the immediate supervisor or department head shall administer the verbal reprimand and any comments the employee may have made shall be noted by the person giving the reprimand and a copy of the verbal warning forwarded to the Manager of Human Resources to place in the employee's personnel file.

Written Warning

In the case of either a second minor infraction or a more serious initial infraction, the immediate supervisor or department head shall give the employee written warning

specifying the reason(s) for such warning and noting any previous verbal and/or written warnings.

After issuing a written warning the county may choose to have the employee's performance reviewed on a daily basis for improvement by the supervisor or department head or by creating a performance improvement plan. In doing so the county shall explain the consequences of continued infractions.

The employee shall sign the written warning, or the warning shall be signed by a witness; and a copy of the written warning shall be forwarded to the Manager of Human Resources to be placed in the employee's personnel file.

Suspension

After either a serious violation or repeated minor violations, the supervisor or department head shall request in writing that the County Judge Executive suspend the employee with or without pay. The request shall include the reason(s) for the suspension, if any, along with details of previous disciplinary actions taken against the employee.

The County Judge Executive may suspend any employee for any period of up to four (4) calendar weeks, depending upon the severity of the offense.

When a decision to suspend an employee is made the County Judge Executive shall provide written notification to the employee within three (3) working days. The notice shall include the reason(s) for the suspension, if any, and the duration of the suspension.

Employees suspended without pay for a period of four (4) calendar weeks shall not accrue sick and vacation time while suspended.

Suspension With Pay

In situations where the county has become aware of alleged misconduct by an employee which, if substantiated, could result in disciplinary action, the County Judge Executive may suspend the employee with pay if it is determined the action is necessary to assure public confidence in governmental oversight of its employees; or to assure the integrity of the county's inquiry into the allegations. This action would require approval of fiscal court.

In the event it is necessary to suspend an employee with pay, the following procedures shall be observed:

The county shall, if possible, immediately provide verbal notification to the employee, followed by written notification, within three (3) working days, informing him/her of the suspension and the nature of the allegations being investigated.

Consistent with existing personnel procedures the county shall immediately begin an investigation and in no instances shall it be delayed beyond what is considered reasonable and necessary to conduct a complete investigation.

Upon reaching a determination as to the validity of the alleged violation of the employee the County Judge Executive shall take action as follows:

- 1) In the event the allegations against the employee are valid, the County Judge Executive shall invoke disciplinary action as deemed appropriate. These actions shall not include payment of wages in the event the suspension is extended beyond the investigative period; or
- 2) In the event the allegations against the employee are proven to be false, the employee shall immediately be reinstated to his/her position.

During the time an employee is on suspension with pay he/she is considered to be performing services to the county. Therefore, the employee must remain available to return to work within 24 hours or receiving written or verbal confirmation for his/her reinstatement from the County Judge Executive. In the event the employee is notified of this reinstatement verbally, the county shall provide written verification within one (1) working day.

Nothing in this policy or procedure should be construed as limiting the authority of the local government to suspend an employee without pay in those instances where such action is deemed appropriate.

Dismissal

When an offense is repeated, or misconduct is serious enough for discharge on the first offense, a supervisor or department head may recommend dismissal of an employee. The recommendation shall include the reasons (s) for dismissal, if any, details of previous disciplinary action taken against the employee, if any, and the recommended effective date and time of discharge.

Upon review of the department head's recommendation to dismiss and after review by the County Judge Executive, the County Judge Executive shall inform the fiscal court of the situation/s that have warranted said dismissal intent. Upon approval from fiscal court the County Judge Executive shall provide the employee with a Letter of Intent to Dismiss containing the: (a) the reasons(s) for dismissal, if any; (b) the details of previous disciplinary actions (s) taken against the employee, if any; and (c) the recommended effective date and time of the intended discharge.

Common Infractions

The following is a list of common infractions. While this list does not include all actions that call for disciplinary actions, it is intended as a guide to assist in avoiding activities that are in conflict with the principles and goals of an efficient workforce. This list includes, but is not limited to:

- 1) Absenteeism, tardiness, extended mealtimes;
- 2) Neglect of duty;
- 3) Abuse of sick time;
- 4) Insubordination;
- 5) Theft, destruction, defacement or misuse of county property;
- 6) Leaving work without authorization;
- 7) Intoxication or use of intoxicants while on duty;
- 8) Reporting to work under the influence of drugs or alcohol;
- 9) Unauthorized use of county property or vehicle;
- 10) Provoking or inciting a fight, or fighting during work hours;
- 11) Mistreatment (physical or verbal) of citizens or coworkers;
- 12) Willful neglect or abuse of county property;
- 13) Deliberate falsification of time records;
- 14) Conviction of a felony;
- 15) Improper discussion of disclosing confidential information;
- 16) Failure to comply with established safety practices or procedures;
- 17) Harassment, including sexual harassment;
- 18) Supplying false information on employment application;
- 19) Incompetence or inefficiency on the job;
- 20) Violation of established employer policies;
- 21) Use of profanity or abusive language;
- 22) The illegal possession, use of attempted possession of firearms or other weapons;
- 23) Gambling on county property;
- 24) Using tobacco in prohibited areas; or
- 25) Threatening or intimidating anyone including management, supervisors, security guards, fellow workers and citizens;
- 26) Unauthorized release or viewing of confidential information.

Failure to improve. Failure to improve performance or behavior after the written warning or suspension can result in termination.

The progressive disciplinary procedures described above also may be applied to an employee who is experiencing a series of unrelated problems involving job performance or behavior.

In cases involving serious misconduct, or any time the supervisor determines it is necessary, such as a major breach of policy or violation of law, the procedures contained

above may be disregarded. Typically, the department head should suggest suspending the employee immediately (with or without pay), and an investigation of the incidents leading up to the suspension should be conducted to determine if any further action, such as termination, should be taken.

Section 7 - Time Off and Leaves of Absence

Holidays

The county observes and allows time off with pay for the following holidays:

- New Year's Day
- Martin Luther King Day
- Memorial Day
- Independence Day
- Labor Day
- Veterans Day
- Thanksgiving Day
- Day after Thanksgiving
- Christmas Eve
- Christmas Day
- New Year's Eve Day

Any additional holidays will be designated by the County Judge Executive at the start of each calendar year.

If one of these holidays falls on a Sunday, it will be observed on the following Monday. If the holiday falls on a Saturday, the County Judge Executive will select either the following Monday or the preceding Friday as a substitute holiday.

Holiday pay. Full-time regular employees are eligible for holiday pay. Part-time and temporary employees are not eligible for holiday pay.

Holiday pay shall be at the employee's regular straight-time rate, inclusive of shift premiums, times the employee's regularly scheduled hours (not to exceed 8 hours). Exceptions would be EMS, Detention Center, Dispatch and some Sheriff deputies.

Religious observances. Employees who need time off to observe religious practices or holidays not already scheduled by the county should speak with their supervisor. Depending upon business needs, the employee may be able to work on a day that is normally observed as a holiday and then take time off for another religious day. Employees may also be able to switch a scheduled day with another employee, take vacation time, or take off unpaid days. The county will seek to reasonably accommodate individuals' religious observances.

Vacation

Shelby County Fiscal Court recognizes the importance of time off from work to relax, spend time with family, and enjoy leisure activities. The county provides paid vacation time to full-time employees for this purpose, and employees are encouraged to take vacation during the year.

New full-time employees begin accruing annual leave after completion of their 12-month anniversary period. After this completion, a balance of 40 or for EMS, Jail Deputies and Dispatch, 48 hours will be manually put in their balance. From that point the employee will accrue on their paycheck per the schedule below:

Continuous Service Accrued Vacation Per Year

0 – 12 months	40 hours = 1.54 hours/paycheck
12-108 months	80 hours = 3.08 hours/paycheck
109-168 months	120 hours = 4.62 hours/paycheck
169+ months	160 hours = 6.15 hours/paycheck

EMS ONLY

Continuous Service Accrued Vacation Per Year

0 – 12 months	48 hours = 1.85 hours/paycheck
13 - 108 months	96 hours = 3.69 hours/paycheck
109 – 168 months	144 hours = 5.54 hours/paycheck
169+ months	192 hours = 7.38 hours/paycheck

An employee is not eligible for annual leave pay until the hours requested for annual leave have accrued. Otherwise, the employee could take leave without pay for the time needed, with prior approval from the department head or County Judge Executive. Annual leave benefits do not accrue during leaves of absence without pay.

Annual leave may be scheduled at any time during the year by completing a Time Off Request Form (page 90) and submitting it to your department head for approval. The department head will approve or not depending on workload. Once approved, the department head will forward the request form to the Manager of Human Resources.

Full-time employees receive annual leave pay at their regular rate.

Maximum amount of annual leave to be taken at any given time is two weeks. Variations to this may be approved by the department head or County Judge Executive.

If an employee leaves Shelby County Fiscal Court employment and provides a full calendar two-week written notice he/she will be reimbursed for the unused accrued vacation and holiday leave at his/her current rate of compensation. However, employees who are terminated by the Fiscal Court or fail to provide a full calendar two-week written notice will not be paid for unused, accrued vacation or holiday time.

When a former employee who had worked one full year is reinstated after one year separation from the County the person shall be considered a NEW employee for leave purposes. If a former employee is reinstated before one year has lapsed, then the person can begin accrual at the level of continuous service at the time of separation from the county but no previous leave balances will be included.

Employees shall be allowed to carry over annual leave from year to year, a **combined** balance total of **200 hours accrued time for vacation and holiday leave**. On January 1st of every year if an employee's **combined** accrued vacation and holiday leave is **above 200 hours** the excess hours will be transferred over to the employee's sick time balance to be used as needed for sick time or to be utilized toward their retirement. The employee will continue to accrue at the above schedule and the balance checked again the following January.

The Manager of Human Resources and County Treasurer shall ensure that accurate records are kept for annual leave allowance, leave taken and accrued leave for each employee.

Any employee fraudulently obtaining annual leave or a department head falsely certifying annual leave may be suspended or dismissed.

Generally, employees should submit vacation plans to their supervisor at least 4 weeks in advance of the requested vacation date. Vacation may be scheduled in increments of 1 full workday up to a maximum of 2 weeks in a row if approved by department head contingent upon work schedule. Department heads have the right to designate when some or all of vacations must/can be taken.

Sick Leave

New employees begin accruing sick leave immediately. The employee's pay stub will reflect the number of hours accrued. An employee is not eligible for sick leave pay until the hours requested for sick leave have been accrued. Otherwise, the employee could take leave without pay for the time needed, with approval of the department head. Sick leave benefits do not accrue during leaves of absence without pay.

Full-time employees will accrue sick leave the first pay period of each month at a rate equal to 8 hours a month. NOTE: EMS/ Jail Deputies/Dispatch employees on 12 hours work schedule will accrue at 12 hours a month.

Please note that sick leave is a benefit, not a right. Paid sick leave entitles employees to time off to recuperate from illness or accident while retaining their employment rights and

pay for the time off. Its main purpose is to provide income for employees absent a relatively short time because of personal illness or injury. The time is not to be used as extra vacation.

Sick leave should be used only for the following unless otherwise instructed by County Judge Executive:

- Personal illness, injury or visits to the physician or dentist which cannot be accomplished during off-duty hours.
- Enforced quarantine of the employee in accordance with community health regulations.
- Illness in the immediate family (spouse, children, parents, or relatives living in the employee's home), when approved by the department head. Any other relation will need prior approval from the County Judge Executive.
- Notwithstanding the requirements for FMLA leave, a medical certification or physician's statement will generally not be required to return to work after the use of sick leave. However, an employee's department head or the Human Resources Manager may require physician's statement at any time when there is a reasonable basis to believe the sick leave policy is being abused, to certify that the employee can perform the essential functions of the job without risking the safety of themselves or others, or the employee's length of absence exceeds three full workdays/scheduled work shifts.
- Following an absence of three (3) or more consecutive working days or scheduled work shifts, the employee must submit a physician's written confirmation that he/she was unable to work, and submit it to the department head, who will forward to the Manager of Human Resources on the day the employee returns to work. If the written confirmation is not received, the employee may not qualify for sick leave pay. If a department head feels that an employee is abusing sick time the department head or Manager of Human Resources may ask the employee to present a physician's written confirmation at any given time. If payroll receives time off for an employee in excess of three (3) days that doesn't have a physician's statement attached Human Resources will be notified to contact the department head. Abuse of sick leave shall be cause for disciplinary action up to and including dismissal.

Unused sick leave has no monetary value upon termination of employment, nor can this time be applied toward additional annual (vacation) leave. However, if the employee retires from CERS up to 2,080 hours or less can be applied to retirement if allowed by KPPA pending Tier eligibility.

The Manager of Human Resources and County Treasurer shall keep records of sick leave allowance, sick leave taken and balance of sick leave allowance for individual employees.

An employee fraudulently obtaining sick leave, or a department head falsely certifying sick leave for absence from work, may be suspended or dismissed.

An employee may donate accumulated sick leave to another employee by filling out the required donation form (page 91) and approved by the department head and the County Judge Executive.

Family and Medical Leave

Shelby County Fiscal Court complies with the federal FMLA, which requires employers to grant unpaid leaves of absence to qualified workers for certain medical and family-related reasons. The county also abides by any state and local leave laws. The more generous of the laws will apply to the employee if the employee is eligible under both federal and state laws. Please note there are many requirements, qualifications, and exceptions under these laws, and each employee's situation is different. Contact the HR department to discuss options for leave.

The FMLA requires private employers with 50 or more employees and all public agencies, including state, local, and federal employers, and local education agencies (schools) to provide eligible employees up to 12 weeks of unpaid, job-protected leave in any 12-month period for certain family and medical reasons. The 12-month period is a rolling period measured backward from the date an employee uses any FMLA leave, except for leaves to care for a covered service member with a serious illness or injury. For those leaves, the leave entitlement is 26 weeks in a single 12-month period measured forward from the date an employee first takes that type of leave.

Basic leave entitlement. The FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons: (1) for incapacity due to pregnancy, prenatal medical care, or childbirth; (2) to care for the employee's child after birth or placement for adoption or foster care; (3) to care for the employee's spouse, child, or parent who has a serious health condition; or (4) for a serious health condition that makes the employee unable to work.

Military family leave entitlements. Eligible employees with a spouse, child, or parent on active duty or called to active-duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include addressing issues that arise from (1) short notice of deployment (limited to up to 7 days of leave); (2) attending certain military events and related activity; (3) arranging child care and school activities; (4) addressing certain financial and legal arrangements; (5) attending certain counseling sessions; (6) spending time with covered military family members on short-term temporary rest and recuperation leave (limited to up to 5 days of leave); (7) attending post deployment reintegration briefings; (8) arranging care for or providing care to a parent who is incapable of self-care; and (9)

any additional activities agreed upon by the employer and employee that arise out of the military member's active duty or call to active duty.

The FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is a current member of the armed forces, including a member of the National Guard or reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the servicemember medically unfit to perform the duties of the servicemember's office, grade, rank, or rating and for which the servicemember is undergoing medical treatment, recuperation, or therapy; is in outpatient status; or is on the temporary disability retired list.

Benefits and protections during FMLA leave. During FMLA leave, the county will maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work as long as the employee is using paid time off and has enough funds to cover his/her insurance premiums. If they are on FMLA leave without pay the employee will have to bring their portion of the insurance premiums to the County Treasurer by the 14th of each month to continue their coverages. Upon return from FMLA leave, most employees will be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms. However, an employee on FMLA leave does not have any greater right to reinstatement or to other benefits and conditions of employment than if the employee had been continuously employed during the FMLA leave period.

Certain highly compensated key employees also may be denied reinstatement when necessary to prevent "substantial and grievous economic injury" to the county's operations. A "key" employee is an eligible salaried employee who is among the highest-paid 10 percent of the county's employees within 75 miles of the worksite. Employees will be notified of their status as key employees, when applicable, after they request FMLA leave.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued before the start of an employee's leave.

Employee eligibility. The FMLA defines eligible employees as employees who (1) have worked for the county for at least 12 months; (2) have worked for the county for at least 1,250 hours in the previous 12 months; and (3) work at or report to a worksite that has 50 or more employees or is within 75 miles of county worksites that, taken together, have a total of 50 or more employees.

Definition of "serious health condition." A serious health condition is an illness, an injury, an impairment, or a physical or mental condition that involves either an overnight stay in a medical care facility or continuing treatment by a healthcare provider for a condition that either prevents the employee from performing the functions of the employee's job or

prevents the qualified family member from participating in school, work, or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least 2 visits to a healthcare provider or 1 visit and a regimen of continuing treatment, incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of "continuing treatment."

Use of leave. An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced work schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies also may be taken on an intermittent or a reduced work schedule basis.

Substitution of paid leave for unpaid leave. Employees may choose or employers may require the use of accrued paid leave while taking FMLA leave. Accordingly, the county requires employees to use any accrued paid vacation, personal, and sick days during an unpaid FMLA leave taken because of the employees' own serious health condition or the serious health condition of a family member or to care for a seriously ill or injured family member in the military. In addition, employees must use any accrued paid vacation or sick days during FMLA leave taken to care for a newborn or newly placed child or for a qualifying exigency arising out of a family member's active duty or call to active-duty status in support of a contingency operation. In order to use paid leave for FMLA leave, employees must comply with the county's normal paid leave procedures found in its Vacation and Sick Leave policies.

Employee responsibilities. Employees must provide 30 days' advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, employees must provide notice as soon as practicable and generally must comply with the county's normal call-in procedures. The county may delay leave to employees who do not provide proper advance notice of the foreseeable need for leave, absent unusual circumstances preventing the notice.

Employees must provide sufficient information for the county to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a healthcare provider, or circumstances supporting the need for military family leave. Employees also must inform the county if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also are required to provide a certification and periodic recertification supporting the need for leave. The county also may require a second and, if necessary, a third opinion (at the county's expense) and, when the leave is a result of the employee's own serious health condition, a fitness-for-duty report to

return to work. The county also may delay or deny approval of leave for lack of proper medical certification.

County responsibilities. The county will inform employees requesting leave whether they are eligible under the FMLA. If they are, the notice will specify any additional information required, as well as the employees' rights and responsibilities. If employees are not eligible, the county will provide a reason for the ineligibility.

The county will inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employees' FMLA leave entitlement. If the county determines that the leave is not FMLA-protected, the county will notify the employees.

Other provisions. Under an exception to the FLSA in the FMLA regulations, hourly amounts may be deducted for unpaid leave from the salary of executive, administrative, and professional employees; outside sales representatives; certain highly skilled computer professionals; and certain highly compensated employees who are exempt from the minimum wage and overtime requirements of the FLSA, without affecting the employees' exempt status. This special exception to the "salary basis" requirements for the FLSA's exemptions extends only to eligible employees' use of FMLA leave.

Employees may not perform work for self-employment or for any other employer during an approved leave of absence, except when the leave is for military or public service or when the county has approved the employment under its Outside Employment policy and the employees' reason for FMLA leave does not preclude the outside employment.

Unlawful acts by employers. The FMLA makes it unlawful for any employer (1) to interfere with, restrain, or deny the exercise of any right provided under the FMLA or (2) to discharge or discriminate against any person for opposing any practice made unlawful by the FMLA or for involvement in any proceeding under or relating to the FMLA.

Enforcement. An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

Military Leave

Shelby County Fiscal Court supports the military obligations of all employees and grants leaves for uniformed service in accordance with applicable federal and state laws. Any employee who needs time off for uniformed service should immediately notify the HR department and the employee's department head, who will provide details regarding the

leave. If an employee is unable to provide notice before leaving for uniformed service, a family member should notify the supervisor as soon as possible.

Upon return from military leave, employees will be granted the same seniority, pay, and benefits as if they had worked continuously. Failure to report for work within the prescribed time after completion of military service will be considered a voluntary termination.

All employees who enter military service may accumulate a total absence of 5 years and still retain employment rights.

Military Training Leave

Any full-time employee who is a member of the National Guard or any reserve component of the Armed Forces of the United States, or the Reserve Corps of the United States Public Health Service, shall be granted a paid leave of absence for a maximum of 21 days in any one calendar year for the purpose of attending annual mandatory training. However, the following provisions apply:

- If the employee must serve additional periods of military training, the time will be considered an unpaid leave of absence, unless the employee chooses to use accrued annual leave.
- Military services and summer training are not interruptions of employment, for purposes of seniority. The employee should submit a copy of the orders upon receipt to the Manager of Human Resources.

Bereavement Leave

Full-time employees may be granted up to 24 hours off with pay, at a regular rate of pay, in case of the death of an immediate family member. The employee must complete a Time Off Request Form (page 90) including the relationship to the family member. Any additional time needed can be requested by the employees using their available vacation/sick time.

Immediate family shall include parents, grandparents, spouse, brother, sister, children, immediate in-laws, stepfamily or foster family.

Bereavement leave for all pall bearers at a funeral of a non-relation will be granted 4 hours paid at their regular rate of pay. If participation requires travel arrangements up to 8 paid hours may be granted. The County Judge Executive has the final approval for these requests.

Jury Duty/Court Appearance

The Shelby County Fiscal Court encourages service as a juror and compliance with other subpoenas to be a witness in legal proceedings. If an employee needs to be absent from

work a copy of the summons or other proof of service must be submitted to the department head prior to the duty.

When an employee is required to serve on a jury, he/she shall be compensated at their regular rate of pay while serving. The employee must submit their timecard and notate "jury duty" on the days they are on jury duty. If called for jury duty and released, the employee must return to work for the remainder of their regular schedule.

Employees summoned as a plaintiff or a defendant in a proceeding involving or arising from outside employment or personal business shall not be entitled to leave with pay but may use accrued annual leave during the absence. The employee is allowed to retain the allowance he/she receives from the court for jury duty.

Time Off for Voting

Shelby County Fiscal Court recognizes that voting is a right and privilege of being a citizen of the United States and encourages employees to exercise their right to vote. In almost all cases, you will have sufficient time outside working hours to vote. If for any reason you think this won't be the case, contact your department head to discuss scheduling accommodations.

The County may specify the hours during which each employee may be allowed time off to vote. (KRS 118.035)

Section 8 - Employee Benefits

Medical, Dental, and Vision Insurance

Shelby County Fiscal Court recognizes the value of benefits to employees and their families. The county supports employees by offering a comprehensive and competitive benefits program. A new full-time employee will have 30 days from their date of hire to enroll in the State of Kentucky Health Insurance Plan. Any new employee not completing, signing and dating an application by the required date shall not have health insurance coverage and will have to wait until the next open enrollment period to obtain coverage.

The effective date of new hires will be the first day of the second month from their date of hire. Example: The employee's hire date is March 15 (or any day in March) – health insurance will become effective on May 1.

Employees cannot be effective any sooner than the “1st day 2nd month” rule unless transferring from state or participating agency.

If at any time the employee makes changes to his/her insurance plans either online or by calling the health plan provider they will need to forward that information to Human Resources so that the correct premiums are being deducted for the change/s made. If the information isn't sent to Human Resources the employee could be subject to paying a full month or more of premiums all from one paycheck. Any questions regarding changes/additions/deletions to any insurance plan please contact Human Resources.

Employees cannot be effective with the plan before they are contributing to a state-sponsored retirement system.

Shelby County Fiscal Court pays a portion of the medical premium as directed by the agreement entered into with the insurance carriers.

Employees will be kept up to date on plan changes as soon as the insurance companies notify the Manager of Human Resources. Refer to your summary plan descriptions for details on your medical (health).

Group Life Insurance

New full-time employees are eligible for life/accidental death & dismemberment (AD&D) insurance effective the first day of the first full month of employment. The appropriate paperwork will be completed on or about the first day of employment. They will receive a copy of the insurance policies on or about their first day of employment.

Shelby County Fiscal Court pays the full cost for these benefits. The policy is in the amount of \$20,000. Refer to the summary plan descriptions of the insurance plans for details regarding benefits.

There are optional and dependent life plans available through the health plan provider that an employee can enroll in with the cost of the premiums being the employee's sole responsibility.

Voluntary/Supplemental Benefits

Dental, Vision, MetLife, Kentucky Deferred Compensation, United Way, and other Supplemental Benefits are the responsibility of the employee to maintain. Shelby County Fiscal Court does not contribute to these benefits.

Retirement

Shelby County Fiscal Court is a member of the County Employees Retirement System (CERS) operating under Kentucky Public Pensions Authority (KPPA). After a 30-day probationary period the employee must participate in this plan. As members of this plan, employees contribute a percentage of their pay. The Shelby County Fiscal Court contributes a percentage of the employee's gross pay. The employer and employee percentages are subject to change per KPPA.

Shelby County Fiscal Court will purchase service credit with the retirement system for up to 2,080 hours of unused sick leave for each retiring full-time employee pending on what Tier the employee is enrolled in.

If an employee leaves Shelby County Fiscal Court and chooses to withdraw his/her money at that time he/she: 1. Has to pay tax on the money received; 2. Does not receive any other benefits under KPPA, and 3. Faces an early withdrawal penalty. A refund will be processed by KPPA only after employment has been terminated for thirty (30) days.

The plan is transferable to other plans, such as the Kentucky Public Pensions Authority and other city and/or county plans. However, if considering other employment and possibly transferring retirement funds, verify with Shelby County Fiscal Court and the new employer if the plan is transferable.

For more information on benefits, rights, etc. under the CERS call 1-800-928-4646.

Workers' Compensation

Workers' compensation is a "no-fault" system that provides compensation for medical expenses and wage losses to employees who are injured or who become ill because of employment.

Shelby County Fiscal Court pays the entire cost of workers' compensation insurance. The insurance provides coverage for related medical and rehabilitation expenses and a portion of lost wages to employees who sustain an injury on the job.

The county abides by all applicable state workers' compensation laws and regulations. If an employee sustains a job-related injury or illness, it is important to notify the department head and HR immediately. The department head will complete an injury report with input from the employee and return the form to the HR department. HR will file the claim with the insurance company. In cases of true medical emergencies, report to the nearest emergency room.

Workers' compensation benefits (paid or unpaid) will run concurrently with FMLA leave, if applicable, where permitted by state and federal law. In addition, employees will not be paid vacation or sick leave for approved absences covered by the county's workers' compensation program, except to supplement the workers' compensation benefits such as when the plan only covers a portion of the employees' salary as allowed by state law.

Longevity Supplement

Pending budgetary constraints, there will be a supplement to an employee's current annual salary for extended years of service. The supplement will be paid to the employee in the payroll received at the end of the month that covers the employee's anniversary date based on the following:

1 year of full-time service	- \$250.00
5 years of full-time service	- \$500.00
10 years of full-time service	- \$750.00
15 years of full-time service	- \$1,000.00
20 years of full-time service	- \$1,250.00
25 years of full-time service	- \$1,500.00

Employee Assistance Program

The employee assistance program (EAP) is a resource designed to provide highly confidential and experienced help for employees in dealing with issues that affect their lives and the quality of their job performance. Shelby County Fiscal Court wants employees to be able to maintain a healthy balance of work and family that allows them to enjoy life. The EAP is a confidential counseling and referral service that can help employees successfully deal with life's challenges.

This free, comprehensive counseling service offers employees four visits per issue each year and a 24-hour hotline answered by professional, degreed counselors.

The county encourages employees to use this valuable service whenever they have such a need. Employees who choose to use these counseling services are assured the information disclosed in their sessions is confidential and not available to the county, and the county is not given any information on who chooses to use the services. For questions or additional information about this program, employees may contact the HR department.

Exemption from withholding. You may claim exemption from withholding for 2022 if you meet both of the following conditions: you had no federal income tax liability in 2021 and you expect to have no federal income tax liability in 2022. You had no federal income tax liability in 2021 if (1) your total tax on line 24 on your 2021 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2022 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2023.

Your privacy. If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Expect to work only part of the year;
2. Have dividend or capital gain income, or are subject to additional taxes, such as Additional Medicare Tax;
3. Have self-employment income (see below); or
4. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2022 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet *(Keep for your records.)*

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 **Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3 1 \$

- 2 **Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
 - a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a 2a \$
 - b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b 2b \$
 - c Add the amounts from lines 2a and 2b and enter the result on line 2c 2c \$

- 3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc. 3

- 4 **Divide** the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in **Step 4(c)** of Form W-4 for the highest paying job (along with any other additional amount you want withheld) 4 \$

Step 4(b)—Deductions Worksheet *(Keep for your records.)*

- 1 Enter an estimate of your 2022 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income 1 \$

- 2 Enter: $\left\{ \begin{array}{l} \bullet \$25,900 \text{ if you're married filing jointly or qualifying widow(er)} \\ \bullet \$19,400 \text{ if you're head of household} \\ \bullet \$12,950 \text{ if you're single or married filing separately} \end{array} \right\}$ 2 \$

- 3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-" 3 \$

- 4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information 4 \$

- 5 **Add** lines 3 and 4. Enter the result here and in **Step 4(b)** of Form W-4 5 \$

WORKPLACE BULLYING

Shelby County Fiscal Court defines bullying as "repeated inappropriate behavior, either direct or indirect, whether verbal, physical or otherwise, conducted by one or more persons against another or person or persons, at the place of work and/or in the course of employment."

The purpose of this policy is to communicate to all employees, including supervisors, managers, department heads, directors and executives that Shelby County Fiscal Court will not, in any instance, tolerate bullying behavior. Employees found in violation of this policy will be disciplined, up to and including termination.

Bullying may be intentional or unintentional. However, it must be noted that where an allegation of bullying is made, the intention of the alleged bully is irrelevant, and will not be given consideration when ruling out discipline. As in sexual harassment, it is the effect of the behavior upon the individual which is important.

Shelby County Fiscal Court considers the following types of behavior examples of bullying:

- Verbal Bullying: slandering, ridiculing or maligning a person or his/her family; persistent name calling, which is hurtful, insulting or humiliating; using a person as a butt of jokes; abusive or offensive remarks;
- Physical Bullying: pushing, shoving, kicking, poking, tripping, assault, or threat of physical assault, damage to a person's work area or property;
- Gesture Bullying: non-verbal threatening gestures, glances which can convey threatening messages;
- Exclusions: socially or physically excluding or disregarding a person in work-related activities;

In addition, the following examples may constitute or contribute to evidence of bullying in the workplace:

- Persistent singling out of one person.
- Shouting, raising voice at an individual in public and/or private.
- Using verbal or obscene gestures.
- Not allowing the person to speak or express him/herself (i.e., ignoring or interrupting).
- Personal insults and use of offensive nicknames.
- Public humiliation in any form.
- Constant criticism on matters unrelated or minimally related to the person's job performance or description.
- Ignoring/interrupting an individual at meetings.

- Public reprimands.
- Repeatedly accusing someone of errors which cannot be documented.
- Deliberately interfering with mail and other communications.
- Spreading rumors and gossip regarding individuals.
- Encouraging others to disregard a supervisor's instructions.
- Manipulating the ability of someone to do their work (e.g., overloading, withholding information, setting meaningless tasks, setting deadlines that cannot be met, giving deliberately ambiguous instructions).
- Inflicting menial tasks not keeping with the normal responsibilities on the job.
- Taking credit for another person's ideas.
- Refusing reasonable requests for leave in the absence of work-related reasons not to grant leave.
- Deliberately excluding an individual or isolating them from work-related activities (meetings, etc.).
- Unwanted physical contact, physical abuse or threats of abuse to an individual or an individual's property (defacing or marking up property).

Shelby County Fiscal Court is committed to helping employees find resources for drug or alcohol counseling and rehabilitation. Substance abuse on Shelby County property or at any location while conducting agency business, however, will not be tolerated.
