Shelby County Fiscal Court Employment Application Instructions

<u>Please read these instructions carefully before submitting your Employment Application</u>. Any misrepresentation in this Application and/or attachments WILL cause your Application to be rejected, your name to be removed from the eligible register and/or subject you to dismissal.

This Application must be filled out completely in order to be considered for employment. You may provide a resume, although you must complete this Application. Please print in ink or type and do not leave any blank spaces.

GENERAL INFORMATION

- Please read the minimum requirements (and application notes if the position is posted) before applying.
- Apply for positions only if you meet the minimum qualifications for the job. We cannot waive requirements.
- Application materials <u>must</u> be received by the announced deadline.
- Sign and date your Employment Application and submit a copy of your Driver's License and Social Security Card.
- Criminal Background Checks will be run on all Applicants not currently employed with the Shelby County Fiscal Court, as well as those employees with less than six (6) months of service.
- The following information is required for Criminal Background Checks to be run:
 - o Social Security Number
 - o Birth Date
 - o Driver's License Number and the State in which it was issued
 - o Address
- Application copies that are too light or damaged (bent, rolled, stained, etc.) are not acceptable.

EDUCATION AND RELATED INFORMATION

Educational requirements are met only through accredited institutions. The institution(s) must be accredited by an agency recognized by the United States Department of Education. Foreign Degrees <u>must</u> be converted.

Please provide clear copies of any educational certifications or similar documents along with any certificates or diplomas for short courses completed (ex: software, leadership courses, etc.) with submitted Employment Applications. Please also provide copies of transcripts if case specific courses are needed.

If your college diploma does not specify what your major field of study was, please submit a clear copy of an official transcript. Education credits may be awarded, in many cases, only if the specific degree is indicated.

It is best to include all levels of higher education documentation because credit may be given for a specific bachelor's degree that would not be evident on a master's diploma.

Even if you did not complete college it is still beneficial to submit a copy of an official transcript of completed courses because partial credit may be awarded. If you are applying for a position that requires a college degree and you either did not complete college or completed but not in the required field, you must list your major undergraduate subjects and credit hours.

If a position requires a license or certification you must have an up-to-date license/certification (ex: driver's license, CDL, EMT, Paramedic) on file with the Human Resources Department. As you renew your licenses and certifications, please bring in your new documents for us to copy.

EMPLOYMENT RELATED INFORMATION

Work history information is used to determine whether you qualify for the job for which you are applying. List all periods of employment, beginning with your present or most recent employer. It is especially important that you fill out the beginning and ending dates (month/year) and the average number of hours worked per week for each job listed. If your hours varied, list a range such as "20–40 hours". If you often worked overtime, "40+" is acceptable.

If you held different jobs while working for the same employer (ex: promotions), treat each change as a separate job.

Describe, in detail, your specific duties, beginning with your primary duties. Also include types of software used, specific equipment operated and other such details.

If you cannot fit all the jobs you have held on to this application, attached supplemental sheets.
