

HOUSEHOLD HAZARDOUS WASTE IN THE HOME

Household hazardous Waste should never be thrown in the trash, washed down the drain, or poured onto the ground.

- Never leave hazardous products within reach of children
- Buy products in smaller sizes with less or not harmful ingredients
- Reduce waste by purchasing only the amount needed to do the job.
- Reuse by donating unused portions of common items, such as paint or fertilizer, to friends or community organizations.
- Recycle by taking unwanted products to the community recycle center or HHW events.

WHERE DO I TAKE MY HOUSEHOLD HAZARDOUS WASTE?

The City of Shelbyville, Shelby County, and the Ky. Division of Waste Management are joining forces to help you properly dispose of unwanted items. All residents of Shelby County, including the City of Shelbyville and the City of Simpsonville, can drop off selected items during the one-day Household Hazardous Waste Event. This event is free to any Shelby County Resident.
